Vitalize: the benefactor program for supporters of Vitalstatistix.

By donating to Vitals you are contributing to the development and presentation of provocative, distinctive and challenging performance and interdisciplinary arts projects that reflect contemporary imagination. All donations, large or small, are gratefully received and directed towards:

Incubator, our residency program, supporting independent artists to develop new work.

Vital Voices, presenting new works by distinctive, new, outsider, and need-to-be-heard voices.

Contemporary Communities, building teams of professional artists around community agitators, participants, informants and non-artists to explore contemporary experiences through the creation of new work.

Waterside Workers Hall, our venue.

This is a significant, real way you can assist the company, and donations of \$2.00 or more are fully tax deductible.
